Brief explanation of results	
<p>For the six months ended 31 December 2014, PMP's EBIT (before significant items) for the half-year was \$15.7 million, a 4.8% or \$0.8 million reduction on the prior period as higher profits at PMP New Zealand and higher revenues at Griffin Press of 26%, along with further transformation savings were offset mainly by lower volumes in heatset print and distribution in Australia. Cash interest paid fell by \$3.0 million from \$7.4 million (including interest rate swap close out costs of \$0.3 million) to \$4.4 million.</p> <p>The group recorded a net profit after tax of \$4.3 million this was up on the corresponding period profit of \$0.8 million. Included in the profit was \$4.5 million of significant expense items which comprised mainly of redundancies and restructuring costs.</p> <p>PMP New Zealand had higher heatset and sheetfed volumes and strong cost outcomes while Griffin Press grew revenues 26% on new contract wins. PMP Australia had lower heatset and distribution volumes and higher property rent expense which was mostly offset by transformation savings, cost controls and lower depreciation.</p> <p>Cash flow from operations at \$14.4 million was up \$0.8 million on last year due to lower significant items and borrowing costs more than offsetting lower EBITDA and higher working capital.</p> <p>Net debt at December 2014 was \$40 million, \$41.3 million lower compared to December 2013 and \$11.7 million lower compared to June 2014. Net debt to EBITDA (pre-significant items) fell from 1.2 times to 0.7 times, with interest cover increasing from 5.1 times at December 2013 to 6.4 times.</p> <p>Refer to ASX announcement for further explanation of the group's results.</p>

REVIEW OF OPERATIONS

Revenues were \$429.6 million, down \$36.3 million or 7.8% with \$23 million due to lower magazine distribution volumes. For the six months ended 31 December 2014, PMP's EBIT (before significant items) for the half-year was \$15.7 million, a 4.8% or \$0.8 million reduction on the prior period as higher profits at PMP New Zealand and higher revenues at Griffin Press of 26%, along with further transformation savings were offset mainly by lower volumes in heatset print and distribution in Australia. Current year EBIT at PMP NZ benefited from higher heatset and sheefed volumes along with strong cost controls with EBIT (pre significant items) up 17.0% pcp. Griffin Press had higher volumes on new contract wins. PMP Australia had lower catalogue volumes down 6% mainly due to the decision taken not to re-sign negative and low margin contracts, while distribution volumes were down 8%, 3% due to reduced activity from an existing customer and 4% was due to an insolvent customer. Additional cost savings came from transformation and there was lower depreciation. Higher occupancy costs from sale/leaseback and lower onerous lease savings impacted EBIT by \$0.9 million pcp.

Cash interest paid fell by \$3.0 million from \$7.4 million (including interest rate swap close out costs of \$0.3 million) to \$4.4 million.

Net profit after tax (before significant items) was \$7.5 million, up 1.2% on last years' profit of \$7.4 million as lower EBIT was offset by lower borrowing costs. A net profit after tax of \$4.3 million was recorded, (which included \$3.2 million of significant items expense post tax), up on last years' profit of \$0.8 million (which included \$6.6 million of significant items of expense post tax). The significant expense items this year of \$4.5 million consists of redundancies and restructuring costs.

During the 6 months to 31 December 2014, net assets increased by \$10.2 million to \$275.0 million.

Cash flow from operations at \$14.4 million was up \$0.8 million on last year due to lower significant items and borrowing costs more than offsetting lower EBITDA and higher working capital.

Net debt at December 2014 was \$40 million, \$41.3 million lower compared to December 2013 and \$11.7 million lower compared to June 2014. Net debt to EBITDA (pre-significant items) fell from 1.2 times to 0.7 times, with interest cover increasing from 5.1 times at December 2013 to 6.4 times.

Directors' Report (continued)

SUBSEQUENT EVENTS

In February 2015, the Company exchanged contracts for the sale/leaseback of our Christchurch property, for net proceeds of NZ\$8.2 million with settlement in June 2015 for a profit of NZ\$3.8 million in the second half of the financial year.

Other than the matter disclosed above, the Directors are not aware of any matter or circumstance post balance date not otherwise dealt with in this report or the consolidated financial statements that has significantly affected or may significantly affect the operations of the PMP Group, the results of those operations or the state of affairs of the Group in subsequent years.

DIVIDENDS

Dividends declared and paid to members during the financial period were as follows:

	2014 \$'000	2013 \$'000
No dividends were declared or paid during the half-year ended 31 December 2014 (2013: Nil)	-	-

AUDITOR'S INDEPENDENCE DECLARATION

In accordance with the Audit Independence requirements of the Corporations Act 2001, the Directors have received and are satisfied with the "Auditor's Independence Declaration" provided by the PMP Group external auditors Deloitte Touche Tohmatsu. The Auditor's Independence Declaration is included on Page 19.

ROUNDING OF AMOUNTS

Pursuant to class order 98/0100 made by the Australian Securities and Investments Commission, the Company has rounded amounts in this report and the accompanying financial statements to the nearest thousand dollars unless specifically stated to be otherwise.

Signed in accordance with a resolution of the Directors made pursuant to s306(3) of the Corporations Act 2001.

Notes to the Financial Statements

HALF-YEAR ENDED 31 DECEMBER 2014

1. BASIS OF PREPARATION OF THE HALF-YEAR FINANCIAL STATEMENTS

Statement of compliance

The half-year financial statements are general-purpose financial statements, which have been prepared in accordance with the requirements of the *Corporations Act 2001*, applicable Accounting Standards including *AASB 134 Interim Financial Reporting* and other mandatory professional reporting requirements.

The half-year financial statements do not include all the notes of the type normally included within the annual financial statements and therefore cannot be expected to provide as full an understanding of the financial performance, financial position and financing and investing activities of the consolidated entity as the full financial statements.

The half-year financial statements should be read in conjunction with the annual financial statements of PMP Limited as at 30 June 2014. It is also recommended that the half-year financial statements be considered together with any public announcements made by PMP Limited and its controlled entities during the half-year ended 31 December 2014 in accordance with the continuous disclosure obligations arising under the *Corporations Act 2001*.

Basis of preparation

The half-year financial statements have been prepared in accordance with the historical cost convention, except for the revaluation of certain non-current assets classified as held for sale and derivative financial instruments that have been measured at fair value. Cost is based on the fair values of the consideration given in exchange for assets.

For the purpose of preparing the half-year financial statements, the half-year has been treated as a discrete reporting period.

The accounting policies applied by the PMP Group in these half-year financial statements are the same as those applied by the PMP Group in its annual financial statements as at and for the year ended 30 June 2014, except for the impact of those described below.

Changes in accounting policies

The PMP Group has adopted all amendments to Australian Accounting Standards which became applicable from 1 July 2014.

Recognition and Measurement

AASB 13 Fair value measurement and AASB 2011-8 Amendments to Australian Accounting Standards arising from AASB 13 requires inclusion of a measure for credit risk in the calculations of assets and liabilities recorded at fair value.

AASB 1031 'Materiality' (2013):

Guidance on materiality has been removed from AASB 1031 and cross references inserted to other standards and the Framework for the Preparation and Presentation of Financial Statements where guidance on materiality is located. While this may not change materiality conclusions, rationale and documentation of materiality considerations will change.

Notes to the Financial Statements

HALF-YEAR ENDED 31 DECEMBER 2014

1. BASIS OF PREPARATION OF THE HALF-YEAR FINANCIAL STATEMENTS

Changes in accounting policies (continued)

AASB 132 Financial instruments Asset and liability offsetting – amendments to recognition & measurements:
Clarifies when an entity has a legally enforceable right to set-off financial assets and financial liabilities permitting entities to present balances net on the balance sheet.

AASB 135: Recoverable Amounts Disclosure for Non-Financial Assets (amendments):
Removes extra disclosure requirements with regard to the measurement of the recoverable amount of impaired assets.

AASB 139 Financial instruments: Novation of derivatives and continuation of hedge accounting :
Provides an exception to the requirement for the discontinuation of hedge accounting in circumstances when a hedging instrument is required to be novated to a central counterparty as a result of laws or regulations.

There has been no material change in accounting for the financial half-year ended 31 December 2014 as a result of applying these standards.

Impact of standards issued but not yet applied by the entity

AASB 9 Financial Instruments addresses the classification, measurement and derecognition of financial assets and financial liabilities. The standard is not applicable until 1 January 2017 but is available for early adoption. The Group has not yet assessed its impact and has not yet decided when to adopt AASB 9.

AASB 15 Revenue from contracts with customers:
Revised contract - based five-step revenue recognition model, which addresses multiple element arrangements and may accelerate or defer revenue recognition. The standard is not applicable until 1 January 2017 but is available for early adoption. The Group has not yet assessed its impact and has not yet decided when to adopt AASB 15.

At the date of authorisation of the financial statements, the following IASB Standards were also in issue but not yet effective.

Standard/Interpretation	Effective for annual reporting periods beginning on or after	Expected to be initially applied in the financial year ending
- Annual Improvements to IFRSs 2010-2012 Cycle	1 July 2014	31 December 2015
- Annual Improvements to IFRSs 2011-2013 Cycle	1 July 2014	31 December 2015
- Narrow-scope amendments to AASB 119 Employee Benefits entitled 'Defined Benefit Plans: Employee Contributions'	1 July 2014	31 December 2015
- AASB 1031 'Materiality' 2014 - 1 'Amendment to Australian Accounting Standards'	1 July 2014	31 December 2015
- AASB 2014-3 Amendments to Australian Accounting Standards - Accounting for Acquisitions of Interests in Joint Operations	1 January 2016	31 December 2016
- AASB 2014-4 Amendments to Australian Accounting Standards - Clarification of Acceptable Methods of Depreciation and Amortisation	1 January 2016	31 December 2016
- Annual Improvements to IFRSs 2012-2014 Cycle	1 January 2016	31 December 2016

Notes to the Financial Statements

HALF-YEAR ENDED 31 DECEMBER 2014

1. BASIS OF PREPARATION OF THE HALF-YEAR FINANCIAL STATEMENTS

Critical accounting estimates, assumptions and judgements

(i) Deferred tax assets

Deferred tax assets are recognised for all unused tax losses to the extent that it is probable that future taxable profits will be available against which the losses can be utilised. Significant management judgement is required to determine the amount of deferred tax asset that can be recognised, based on the likely timing and level of future taxable profits.

Due to lower transformation costs and significant items in the current year, no tax losses were incurred for the period to 31 December 2014. This has helped reduce the timeframe over which PMP expects to recoup the Australian deferred tax asset of \$34.8 million from between 7 and 8 years to circa 6 years.

The New Zealand deferred tax asset value of \$7.0 million, attributable to tax losses (which were partly recouped this year), are also expected to be fully recouped over a period of 3 to 4 years.

This position will be reassessed on an ongoing basis.

In addition PMP has \$15.8 million tax losses incurred in the 2013 and 2014 financial years which haven't been recognised. Despite the non-recognition of these losses on the balance sheet, the losses will remain available indefinitely for offset against future taxable profits, subject to continuing to meet the statutory tax tests of continuity of ownership or failing that, the same business test.

(ii) Goodwill, intangible assets, property, plant and equipment

The Group assesses whether goodwill is impaired on a bi-annual basis and assesses impairment of all other assets at each reporting date by evaluating conditions specific to the Group and to the particular asset that may lead to impairment. The recoverable amounts of cash generating units have been determined based on either a value in use model or fair value less costs to sell model. These calculations require the use of a number of assumptions and assesses the impact of possible changes in these assumptions. Based on the testing carried out at 31 December 2014 there has been no impairment of the cash generating units.

The Directors estimate, that if EBITDA and cash flow reflected in the model were to decrease up to 10%, it is not expected to cause the aggregate recoverable amount of each of the cash generating units to be below their carrying value. Refer to the annual financial statements of PMP Limited as at 30 June 2014 for further details of these assumptions.

9. SUBSEQUENT EVENTS

The Directors are not aware of any matters or circumstance arising since balance date not otherwise dealt with in this report or the consolidated financial statements, that has significantly affected or may significantly affect the operations of the PMP Group, the results of those operations or the state of affairs of the PMP Group in subsequent years.

Directors' Declaration

In the opinion of the Directors:

- (a) the financial statements and notes of the consolidated entity:
 - (i) give a true and fair view of the financial position as at 31 December 2014 and the performance for the half-year ended on that date of the consolidated entity; and
 - (ii) comply with Accounting Standards and the Corporations Regulations 2001; and
- (b) there are reasonable grounds to believe that the company will be able to pay its debts as and when they become due and payable.

Signed in accordance with a resolution of the Directors pursuant to S.303(5) of the Corporations Act 2001.

Dear Board Members

PMP Limited

In accordance with section 307C of the Corporations Act 2001, I am pleased to provide the following declaration of independence to the directors of PMP Limited.

As lead audit partner for the review of the financial statements of PMP Limited for the half-year ended 31 December 2014, I declare that to the best of my knowledge and belief, there have been no contraventions of:

- (i) the auditor independence requirements of the Corporations Act 2001 in relation to the review; and
- (ii) any applicable code of professional conduct in relation to the review.

Yours sincerely

Independent Auditor's Review Report to the Members of PMP Limited

We have reviewed the accompanying half-year financial report of PMP Limited, which comprises the condensed consolidated statement of financial position as at 31 December 2014, and the condensed consolidated statement of profit or loss and other comprehensive income, the condensed consolidated statement of cash flows and the condensed consolidated statement of changes in equity for the half-year ended on that date, selected explanatory notes and the directors' declaration of the consolidated entity comprising the company and the entities it controlled at the end of the half-year or from time to time during the half-year as set out on pages 5 to 18.

Directors' Responsibility for the Half-Year Financial Report

The directors of the company are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express a conclusion on the half-year financial report based on our review. We conducted our review in accordance with Auditing Standard on Review Engagements ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity*, in order to state whether, on the basis of the procedures described, we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including: giving a true and fair view of the PMP Limited's financial position as at 31 December 2014 and its performance for the half-year ended on that date; and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*. As the auditor of PMP Limited, ASRE 2410 requires that we comply with the ethical requirements relevant to the audit of the annual financial report.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Auditor's Independence Declaration

In conducting our review, we have complied with the independence requirements of the *Corporations Act 2001*. We confirm that the independence declaration required by the *Corporations Act 2001*, which has been given to the directors of PMP Limited would be in the same terms if given to the directors as at the time of this auditor's review report.

Conclusion

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the half-year financial report of PMP Limited is not in accordance with the *Corporations Act 2001*, including:

- (a) giving a true and fair view of the consolidated entity's financial position as at 31 December 2014 and of its performance for the half-year ended on that date; and
- (b) complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.
